

Update-October, 2023

Wow, has this race season has passed quickly!

Race entries are up this year! Pylon Racing is alive and very active! Entry numbers were up in all classes, the competition level is rising, there are a number of pilots who could be in the top 5 on any given day. Some fun rivalry between dads and their kids continue to grow. Augie and Tom, your kids have got "it"!

The weather gods were good to us at the August race. 5 rounds on each day and Sunday wrapped up by 3:30!

As we head into Winter, the club is working hard to set up next year's race season. As usual, we face challenges. AMA equipment fees, fuel prices, repairs/replacements continue to increase. Even in light of this, CAPS remains strong and has a healthy bank balance.

This year we elect CAPS President and Treasurer. Jack Kane has recently filled the Treasurer position and I ask him to continue for 2024 and 2025. Those who would like to become Club President, please let me know and I will set up a web based election.

A special thanks to everyone who stepped in to run the Spring Race while I sipped on umbrella drinks and recovered from knee replacement.

Model fuel has become increasingly hard to come by and expensive. If you will commit to purchase of our 15% fuel from Rich's Brew, CAPS will make a bulk purchase and have it available for you to pick it up at the Spring (CAPS Indy Shootout) race. Price to be determined (approximately \$25 to \$30/gallon).

Help us put on the best possible races, join CAPS. Membership form included.

Preregister, join CAPS, stay safe and healthy!

Tom Melsheimer-CAPS President
