Model fuel has become increasingly hard to come by and expensive. If you will commit to purchase of our 15% fuel from Rich's Brew, CAPS will make a bulk purchase and have it available for you to pick it up at the Spring (CAPS Indy Shootout) race. Price to be determined (approximately \$25 to \$30/gallon).

Help us put on the best possible races, join CAPS. Membership form included.

Preregister, join CAPS, stay safe and healthy!
